

The Two Witnesses and The Days of Daniel

Days of Daniel & Two Witnesses of YHWH

Rev.06

This short article is about the 1260 days (42 months) that the two Witnesses described in Revelation chapter 11 prophesy on the streets of Jerusalem, clad in sackcloth, and the relationship of their days of service with the 1290 and 1335 Days that are given at the end of Daniel Chapter 12. Daniel is told that the end of these days is the end of everything Daniel had seen in his vision of the end of the reign of the kingdom of sin and rebellion on this earth.

First, the 1260 days that the two witnesses prophecy on the streets of Jerusalem, clad in sackcloth, are followed by the restoration of the Reign of Elohim at the sounding of the seventh trumpet as follows.

Revelation 11:15 And the seventh messenger sounded, and there came to be loud voices in the heaven, saying, "The reign of this world

has become the reign of our Master, and of His Messiah, and He shall reign forever and ever!” (Reference Psalms 2:8, 22:28, Daniel 2:44, 7:13-14, Obadiah 1:15-21, Hagai 2:22, and Zechariah 14:9).

It can be seen in Revelation 11:17-18 that this time is the return of Yahushua.

Revelation 11:16 And the twenty-four elders sitting before Elohim on their thrones fell on their faces and worshipped Elohim, Revelation 11:17 saying, “We give You thanks, O YHWH El Shaddai, the One who is and who was and who is coming, because You have taken Your great power and reigned.

Revelation 11:18 “And the nations were enraged, (Reference Psalms 2:1) and Your wrath has come, and the time of the dead to be judged, and to give the reward to Your servants the prophets and the set-apart ones, and to those who fear Your Name, small and great, and to destroy those who destroy the earth.”

This is the same time seen in Revelation 12:5-17. This is when satan is thrown out of heaven, and there is no place found for him and his followers in heaven anymore. What connects Revelation 11:15 to Revelation chapter 12 is what is said in verse 10 as follows.

Revelation 12:10 And I heard a loud voice saying in the heaven, “Now has come the deliverance and the power and the reign of our Elohim and the authority of His Messiah, for the accuser of our brothers, who accused them before our Elohim day and night, has been thrown down.

Revelation 12:7-17 is connected to Daniel in chapter 12, as follows: Daniel 12 says the final end of all the matters Daniel had seen was three and one-half moedim, and until they (the adversaries) had ended scattering (dividing) the power of his people. Then He says, “From the time when that which is continual is taken away, and the abomination that makes desolate is set up to the end will be 1290 days”(Reference Matthew 24:15). Then it says, “Blessed are those earnestly waiting and come to the 1335 days”. Remember that Daniel 12 is at the very end and is the exact time of Revelation 12:7-17. In both cases, Michael stands up for

His people and defeats satan and his angels. In both places, the time till the end is three and one-half moedim, then Yahushua (who is coming in the name of His Father YHWH) comes out of His place (Isaiah 26:21) to destroy the evil and punish the nations that oppressed His people. This can be seen in the following.

Isaiah 26:5, which says that YHWH will bring down those on high (satan and his angelic followers), is the same as Revelation 12:11-17.

The same appears in Isaiah 24:21 as follows.

Isaiah 24:21 And on that day, it shall be that YHWH punishes on high the host of exalted ones, and on the earth the sovereigns of the earth.

This is when the Earth is staggering like a drunkard. And they (satan and angelic followers) shall be gathered together, as prisoners are gathered in the pit, and shall be shut up in prison and be punished after many days (till the end of the 7th thousand-year cycle). Also, at this time, it is said that the moon shall blush, and the sun be ashamed, these are signs of Yahushua's return according to what He said in Matthew 24:29, "And immediately after the distress of those days the sun shall be darkened, and the moon shall not give its light, and the stars shall fall from the heaven, and the powers of the heavens shall be shaken". This is when satan and his followers are thrown out of heaven, and the Reign of Elohim is restored. Another thing to keep in mind is that Wormwood (meaning bitterness) is going to fall into the ocean. Read all of Revelation chapter 8. There is a potential event that needs to be considered, and that is an asteroid that will pass the Earth on April 13th, 2029. At the end of this article, I will give more details on this, because it potentially could be Wormwood.

Isaiah 24:23 And the moon shall blush, and the sun shall be ashamed, for YHWH of hosts shall reign on Mount Tsiyon, and in Yerushalayim, (Reference Revelation 14:1 and Isaiah 8:18) and before His elders, in esteem (Reference Isaiah 12:6, 16:5, 46:13, 52:8, 59:20, Psalms 102:16, Ezekiel 43:7-9, Joel 3:17, 3:21, Micah 4:7-8, Zephaniah 3:14-17, Zechariah 1:16-17, 2:10, 8:3-8, 14:1-11, Acts 1:6-7, and Revelation 21:1-27).

Daniel chapter 12 is connected to Matthew 13:24-43, which is about the wheat and darnel (tares).

Daniel 12:3 “And those who have insight shall shine like the brightness of the expanse (and those who lead many to righteousness like the stars forever and ever. Then, in verses 8 and 10, it says that those who have insight will understand what was hidden till the end as follows.

Matthew 13:41 “The Son of Adam shall send out His messengers, and they shall gather out of His reign all the stumbling-blocks, and those doing lawlessness.

This statement solidifies that Matthew 13:24-43 is Yahushua’s return. The following shows the connection between Daniel 12:3 and Matthew 13:43

Matthew 13:42 and shall throw them into the furnace of fire – there shall be wailing and gnashing of teeth.

Matthew 13:43 “Then the righteous shall shine forth as the sun in the reign of their Father. He who has ears to hear, let him hear! (Reference Psalms 37:29, 72:7, 75:10, 118:19-20, 146:8, Malachi 3:18, and Revelation 22:11).

I will continue with Daniel, showing pertinent information to understand the connection between the days Daniel was given, which would be the greater end of all he had seen, and the 1260-day service of the two witnesses.

Daniel 12:8 And I heard but did not understand, so I said, “My master, what is the latter end of these matters?”

Daniel 12:9 And he said, “Go, Daniel, for the words are hidden and sealed till the time of the end.

Daniel 12:10 “Many shall be cleansed and made white and refined. But the wrong shall do wrong, and none of the wrong shall understand, but those who have insight shall understand.

The goal of the righteous descendants of Adam is certainly to have insight. The point I am making is that all that is being talked about here is happening just before

Yahushua comes to start the millennial reign. Have you ever considered **how** the scroll for the end-time remnant people will be read? Israel was declared that they could be a nation in the land in 1947 by UN Resolution 181. The Dead Sea Scrolls were found in the same year. The priestly order calendar found there shows this time as the beginning of the restoration of Israel to the land. There is a prophecy by Judah Ben Shemuel, which was made in 1217, that also predicts this time. That prophecy connection, along with pictures associated with it, helps conceptualize what is being said by Judah Ben Shemuel. I am following a line of connections that can show when the day and hour of Yahushua's return is through observations of prophesied events that can be identified in the biblical chronology of end-time events. For instance, when the abomination of desolation and the two witnesses show up, His return can be known, the day and hour.

This is through the 1260 days service of the two witnesses, the 1290 days Daniel is told till satan's reign on the earth was taken away, and the 1335 days at a future Shavuot when the seed of satan is removed from the reasoning of the descendants of Adam, which is the beginning of the last 3.5 moedim. What can be seen now is this chronology of these events. With that, the chronological order is established, and what is needed is to be able to identify one of the known events. Then the day and hour of Yahushua's return can be calculated. When Gog, Prince of Magog, starts his assault on Israel, his destruction is near.

Those who believe no one knows the day and hour of Yahushua's return, because of the statement made in Matthew 24:36. A close look at that verse and the previous verse it becomes obvious that Yahushua is talking about the end of the seven-thousand-year reign. If this is not true, we have a total contradiction in Revelation 3:1-5. Notice in 3:3 Sardis's problem is that their works are not complete before Elohim, and because of that, they will not know the hour of Yahushua's return. 1st Thessalonians 5:1-8. In verse 2, it says the day of YHWH comes as a thief in the night, then in verse 4 it says you are not in darkness, so that this Day overtake you as a thief. Another interesting verse is verse 8, as follows.

1st Thessalonians 5:8 But we who are of the day should be sober, putting on the breastplate of belief and love, and as a helmet the expectation of deliverance.

This is connected to Revelation 12:10 by deliverance. The helmet that protects the head of His righteous followers until he returns is the expectation of His deliverance from the evil that dwells in the descendants of Adam. This is when satan and his followers are thrown out of heaven and cannot return.

THE ONLY CALENDAR BEING KEPT ON EARTH THAT THE 1260, 1390, AND 1335 DAYS, CAN WORK WITH IS THE ZADOK PRIESTLY ORDER CALENDAR FOUND AT QUMRAN.

Revelation chapter 11 begins with a forty-two-month period, which is 3.5 years. Then, this time is described as 1260 days, during which the two witnesses will walk the streets of Jerusalem doing their work. Most do not notice that 1260 days is not 42 months. It is Enoch's language. It represents 1260 degrees of the rotation of the Earth around the Sun, which is 42 months. When the three and one-half years' service of the two witnesses starts at Yom Teruah, the 1260 days will end on the first day of the year on the Zadok calendar. Daniel is told the greater end would be 1290 days, assuming the same starting date (which can be seen in the parallels between Daniel chapter 12 and Revelation chapters 11 and 12), this would be the last day of the first month of the year after the three and one-half years have ended. At this time, Babel, Gog, Prince of Magog and his band, and False prophets with their whitewashed walls fall on this 1290th day, by flooding rain, great hail, worldwide earthquake, and every man's hand against his neighbor. The 1335th day falls on Shavuot. The day when the first fruits of the wheat harvest (two loaves leavened with Torah) are offered (Matthew 13:24-43, the darnel is pulled and burned, and the wheat is put in the storehouse). This is the same time that satan is thrown out of heaven in Revelation 12:7-17. In Revelation 12:10 it says,

Revelation 12:10 "Now has come the deliverance and power and the Reign of our Elohim.

At this time, the righteous descendants of Adam are delivered from all evil (Reference Romans 11:25-27). In Revelation 11:15, after the two witnesses are killed and raised on the third day, the seventh trumpet is blown, and it says,

Revelation 11:15..."The Reign of this world has become the Reign of the Master and His Messiah, and He shall reign forever and ever".

This is the same thing that is happening in Revelation 12:10 and Daniel's 1335th day. I am being redundant because I think it is helpful for remembering.

This will not work on any lunar-solar calendar being kept at this time!!!

This is when the descendants of Adam, who are producing fruit for YHWH, will be made into the image and likeness of Elohim (our Heavenly Father and His Son). This is when the descendants of Adam are returned to the condition in which Adam was created. The complete fulfillment of their deliverance, the complete fulfillment of Yom Kippurim, and is the time described in Matthew 13:24-43, Revelation chapters 11, 12 and 14, Joel chapters 2 and 3, Jeremiah chapter 31, Ezekiel chapters 37 through 39, and all of the books of Zephaniah and Obadiah, to mention a few. Read "Generational Curses", "The Day and Hour", "The Restoration of the Reign of Elohim", and "The Two Adams" for much more detail. Generational Curses is on this website, and I will supply the other three to anyone on request.

Mark 4:13, Yahushua tells the apostles that if they do not understand the seed parables, they will not be able to understand all the parables.

Those who understand Daniel 12:10 have insight through the Zadok Priestly Order Calendar. From this, it can be deduced that the calendar scrolls are the same as those mentioned in Daniel 12:9.

Daniel 12:9 "Go, Daniel, for the words are hidden and sealed till the time of the end".

The world is certainly at the time of the end of the reign of the kingdom of sin and rebellion.

At the beginning, a PDF picture of what is being said above concerning the Days of Daniel and Revelation chapter 11 is attached.

Apophis the Asteroid

I will add some more information on the Asteroid Apophis. I am not led to share this because it is a well-known fact, but because the time of its passing the Earth is April 13th, 2029. Two weeks from the time Apophis will potentially enter Earth's

atmosphere is the 1290th day. This would indicate that there will be two weeks in which one third of the Earth is destroyed. Those who have watched the Messiah 2030 YouTube presentations will recognize what a good case is made for Yahushua's return then. But what I see from the prophecies contained in the Zadok Priestly Order Calendar when it is associated with a correct genealogy from the creation of Adam as far in the future you would want to go, if Apophis is Wormwood it would fit 2030 perfectly for the Second Exodus at Pesach 2030 of all Israel that are not already in Israel.

There are already plans to try to deflect it with rockets, which could change its path to hit Earth just as easily as turn it away from Earth.

I first heard about it from a talk given by Jamie Walden on YouTube. This asteroid was first seen back in the 1980s. Through tracking its trajectory, it was determined that it would pass through the upper levels of Earth's atmosphere. Asteroids are followed by ice balls, vast amounts of them. Revelation speaks of 100lb hailstones. According to scientists, these ice chunks contain arsenic. If Apophis does pass through Earth's atmosphere, the ice chunks would catch fire from the friction of our atmosphere and be drawn to the ground by gravity. It was said the projected path would go through the middle of Europe and cross Southern Canada and the Northern part of the US. I saw a picture showing the path that looked like it would go as low as North Carolina. The prediction at that time was that it would destroy one-third of the Earth. Search one-third in Revelation. It is uncanny how well this would fit Revelation predictions for the one-third destructions of the land, water, fish... Also, this is the first time in modern times that an asteroid has been predicted to get dangerously close to Earth.

Now for the most interesting part of what I have learned. First, Apophis has been hidden by the Milky Way Galaxy until this year when it reappears. I cannot get an answer to when it will become visible again this year, but it was said a while back that it would be visible to the naked eye. I read previously that it would be visible again in 2025, but it would be till 2026 before a new trajectory could be determined. What is so interesting about this is that when I enquire about anything to do with Apophis, now I am flooded with statements like this, The path of Apophis has been recalculated, and there is no chance it will come close to Earth, and it has been confirmed by NASA. Jamie Walden said in his presentation that

several studies had been done about what to do if it comes into the atmosphere of Earth, and the common consensus was to hide the information, because if it became common knowledge, it would create mass hysteria, which is uncontrollable. Can anyone imagine what evacuating the Northern US to the Southern US would be like? But even more unimaginable is that a deception would be allowed to continue, causing one-third of the Earth to be destroyed without warning. Who of the people of Elohim can conceive of the evil of the seeds of satan? October 7th in Israel is a wake-up call to unbridled evil. It must be totally eliminated before the Millennial Reign, and Yahushua will take care of that.

I have no way of knowing what is really true. What I do know is if Messiah 2030 is a valid prediction, where do we place the Wormwood event shown in Revelation? In the article "The Day and Hour," I go into great depth on the destruction that is coming and the chronological order of these events. It can be seen that Babylon, including the Ten Horn governmental system, Gog, Prince of Magog, false prophets, and their doctrinal walls, are all destroyed simultaneously by flooding rain, great hail, worldwide earthquakes, and every man's hand against his brother. It is evident that these events would unfold when Wormwood strikes the Earth, as shown in Revelation 8:8-12. It is especially evident in Isaiah chapter 24:16-23.

Knowing that stars and angels are considered the same in prophecy, Apophis being wormwood makes perfect sense if Apophis is satan and the ice chunks that follow are his followers..

If I say nothing, I will fall into the category with the dumb dogs described in Isaiah 56:10-12, who are His watchmen and shepherds.

This entire article is a very brief explanation of the things coming to the theater near you soon...

Shalom

Conner
